Heritage Victor Valley Medical Group Hosts First Annual "Summer Block Party"

Victorville, CA – Heritage Victor Valley Medical Group announces their First Annual Summer Block Party, Saturday, June 26 - 11am to 3pm at Wimbledon Village, 12370 Hesperia Rd. in Victorville. The event, which will feature food, refreshments, entertainment, children's activities, health tips on diabetes and more, is FREE and open to all ages.

Dr. Paul Ahluwalia, Medical Director of Heritage Victor Valley Medical Group, is enthused about the important health information that will be available at the event. "I am very excited to roll out our Disease Management Program at Heritage Victor Valley Medical Group to help or assist our diabetic patients in improving their health tremendously."

Those who attend the Block Party will learn about diabetic symptoms, causes, treatment, diet and management. The event will offer free foot exams with Wonsik Bollmann, M.D. - Healthy diet tips with Melanie Ajanwachuku, R.D. - Diabetic Care Facts with Firas Gorges, M.D. All who attend can sample diabetic-friendly foods (such as grilled kabobs and turkey hot dogs), face painting for the kids - Goodie bags and much more.

For more information, call Heritage Victor Valley Medical Group at (760) 245-4747 ext.496, or visit www.hvvmg.com.

Heritage Victor Valley Medical Group, with offices in Victorville, has over 40 Primary Care Physicians, 150 Specialists and is the only medical group that services Victorville, Apple Valley, Hesperia, Barstow, Phelan, Adelanto and Big Bear.
