Heritage Victor Valley Medical Group Announces New Urgent Care Facility to Open May 3!

Victorville, CA – Heritage Victor Valley Medical Group is proud to announce the May 3rd opening of the Heritage Urgent Care, located at 12408 Hesperia Road, Suite 1, Victorville, CA.

Heritage Victor Valley Medical Group's Urgent Care will operate Monday thru Saturday 9am to 9pm daily, and will be staffed with well-qualified and experienced physicians, physician assistants, nurses and support staff.

The group's goal is to provide physician access to urgently needed medical care in a clean and welcoming environment. Often times, a trip to the busy and crowded emergency room waiting for hours to be seen can be avoided for many medical conditions that can be treated in an urgent care environment.

Heritage Victor Valley Medical Group, with offices in Victorville, has over 40 Primary Care Physicians, 150 Specialists and is the only medical group that services Victorville, Apple Valley, Hesperia, Barstow, Phelan, Adelanto and Big Bear.

For more information about the new Urgent Care facility or Heritage Victor Valley Medical Group call 1(760) 245-4747, ext. 496 or visit the website at www.hvvmg.com.
